# FINE COOKING ART

WITH A REGIONAL TOUCH  
AND PASSION

TRADITION SINCE 1957

A story that began with a small snack station already in 1957, which we continue with our Restaurant Infang in the third generation. The deep love of enjoyment and the accuracy in selecting our top-class ingredients and products make our food a real gourmet treat for all senses. Our expert kitchen and service team will be happy to surprise you with traditional delicacies which we always try to interpret in a modern Alpine ambience by adapting them also to today's taste. Excellent and plain, creative and with an international touch – that's how we would like to spoil you with fine delights from kitchen and cellar, promising you truly wonderful pleasures. Cheers and enjoy your meal here at the Infang.
